How To Translate Theme

Here are the following steps you need to follow In order to translate the theme language.

1. Head over to the left-hand side panel of the PrestaShop's Dashboard.

2. Now, find an INTERNATIONAL menu which is located right under the **IMPROVE** section.

3. Click on INTERNATIONAL, and you'll see the **Translation** option at last. Click on it, and the **Modify translations** page will open.
